

## **COVID Messaging**

*The achievement of the requirements of the Schools Triathlon COVID Safety Plan is heavily dependent on consistent and regular messaging from the Announcer and also in communication with schools prior to event days*

*Under the State Governments COVID Safe Events Framework the schools Triathlon Challenge is not required to submit a COVID Safety Plan*

***A general COVID-19 messaging document (1 page covering the below / current recommendations) will be sent out to schools, made available on the Schools Triathlon Challenge Website in a current & updated form within 7-14 days of events taking place***

***Our COVID 19 Plan will be used to guide our practice again this year***

**Government Posters will be used to convey the below general messaging and this will be publicly announced throughout the day at each event site**

### **Current Government Messaging around COVID -19**

- Stay Home if you are unwell
- If you become unwell at the event, please leave the event
- Where practical keep some distance from other people or social groups
- Wash & Sanitise your hands
- You are welcome to wear a facemask. Wearing a face mask can reduce the risk of catching or spreading viral infections, especially when space is limited. Particularly consider wearing a face mask if you are at risk of severe illness from COVID-19 and / or the community incidence of COVID-19 is moderate or High - Please provide your own mask if you are planning to wear one
