

Schools Triathlon Challenge has partnered with **Diabetes Australia** to support children living with type 1 diabetes and their families in Tasmania.

You are encouraged to **help raise funds** by setting up your very own fundraising page and asking your friends, family and networks to support you by donating.

Funds raised will go towards Diabetes Australia's Youth Program in Tasmania, which includes diabetes camps for children living with type 1 diabetes to connect with others.

You can set up your own fundraising page via **schoolstriathlonchallenge.tasmania.gov.au/gofundraise.com.au/**

By setting up your fundraising page, you could **WIN some great prizes.**

For more tips on fundraising, please contact the Diabetes Australia Fundraising Team on **fundraising@diabetesaustralia.com.au**

For more information, visit: **schoolstriathlonchallenge.com/fundraising**

Proudly supporting and partnering with
